How to find Jack's Union

- Once you have reached the Upton Estate, turn down the Home Farm Drive entrance. This drive leads to the National Trust Car Park (on the right) and continues down the hill.
- Go straight on down the hill and the drive bends round to the right.
- You will go through a gateway. Continue through the gate and carry straight on until you reach a large car park (ignore the left hand turn off the drive).
- Once you have parked you will see a courtyard - walk across this and The Bulls Pens is on the left ahead of you.
